Forcefield is a state-of-the-art line of Nano-technology disinfectants, sanitisers and odour neutralisers, that physically controls (not poisons) germs and mould. The active ingredients within Forcefield binds to any surface creating a Nano-film with thousands of spikes that penetrates the cell wall of the organism, offering up to 24 hours protection with our hand sanitiser (even after 10 hand washes) and up to 12 months for total environmental protection with our Fogging Solution.

FEATURES OF THE FORCEFIELD RANGE:

- Simple to use
- Time-efficient
- Non-toxic
- Non-corrosive
- Non-flammable
- Environmentally friendly
- Safe for all surfaces and materials
- Physically controls 99.99% of germs and mould
- Deodourises musty/mouldy and any bad smell
- Leaves area smelling fresh
- Hand Sanitiser + Protector cost 2 cents per day per person RRP
- Fogging Solution + Protector costs 14-23 cents per m^3 RRP

The Forcefield Fogging treatment process does not harm any surfaces e.g. timbers, metals, gyprock, paintings nor any material e.g. wool, silk, leather or synthetic fabrics. The only thing it does is protects them!
